

Hida-Osaka E-bike Rental Service

Thank you for using Hida-Osaka's E-bike rental service.
Please follow the procedures in this book when you use the E-bikes.

1. Sign-up at the Hida-Osaka Activity Base

- Payment is available with cash or credit card.
- Please read the QR code and send the application form (consent form). Each user must sent the form.

2. E-bike key

1. Lock the key wherever you park the E-bike.
2. Please keep the key always in your hand because the key is loose on the lock.

Please take out the key when the chain is locked.

3. E-bike system (1)

Left hand brake = rear wheel

Right hand brake = front wheel

Gears 1 < < < < < < 7
 light(slow) heavy(fast)

The gear changes when you role the neck of the grip.
Be sure to change gears while pedaling.

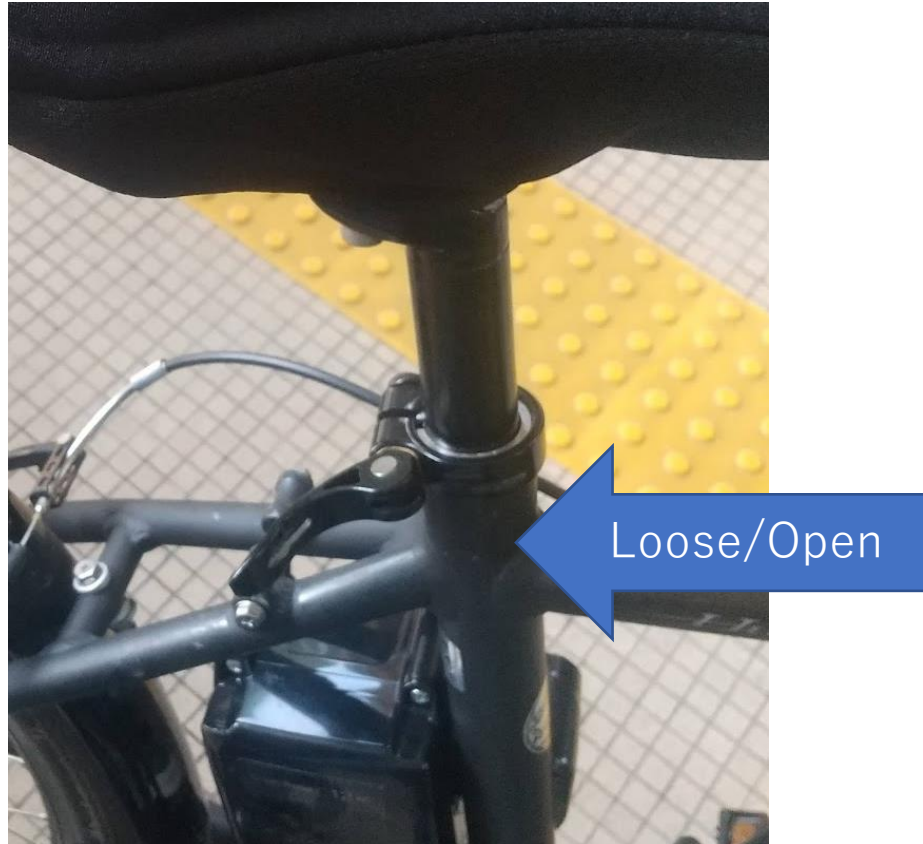

4. E-bike system (2)

1. Power button
2. Light turns on and off automatically
3. MODE shows how much power left, etc.
4. Please do not press ASSIST
△▽.

The power turns off automatically, when it's left intact.

5. E-bike system (3)

Seat height adjustment:
Open and close the handle to adjust the height of the seat.

6. Rules

- Please wear a helmet
- Please follow the Japanese traffic rules
- Please call 216WORKS immediately if any trouble occurred.
- Please inform 216WORKS if the return time changes
TEL +81-576-62-2215
- Please inform 216WORKS if you damage the e-bike
- Off-road use is not allowed. No ride allowed to Akaganetoyo and Karatanidaki waterfalls in Gandate Park. (Please walk to see these waterfalls)

7. Consent (1/2)

Please be aware of the consent rules before you go for a ride. These rules are also stated in the application form.

- 1. I will follow Japanese traffic rules and be respectful of others on the road in order to avoid all traffic accidents.
- 2. I will return the E-bike to 216WORKS no later than the time agreed to. If I fail to return the bike before the said hour, I will be responsible for any late fees charged by 216WORKS.
- 3. If I notice any damage, machine trouble, or missing items, I will report the problem to 216WORKS immediately and seek their guidance.
- 4. I agree to pay all repair and replacement costs charged by 216WORKS if the damage results from my own carelessness. This includes replacement of keys and chain locks.

7. Consent (2/2)

- 5. I agree to pay the whole purchase price of an E-bike, as charged by 216WORKS, if the bike I rent is stolen because I left it unlocked while renting it.
- 6. I will check the battery time to time and will not go any further than the battery will not last. I will pay the return cost of the E-bike and myself if I have to request return transportation because of the loss of the battery.
- 7. I will handle the E-bike, acknowledging it is for paved road and not suitable for unpaved road.
- 8. I agree to rent and ride the E-bike understanding the procedures as well as the risks.
- 9. I understand and agree to be cooperative with 216WORKS prevention measures against Covid-19.
